

In preparation for our AP Statistics curriculum, I have compiled a Delta Math Summer assignment to have you brush up on some basic statistics skills that you already have. Each topic requires 5 correct answers, but no penalty for incorrect answers and unlimited problems. With the assignment structured this way, everyone should start out the year with 100%. Please see instructions below to access the assignment.

- [1] Go to [www.deltamath.com](http://www.deltamath.com)
  - [2] Even if you have an existing account, hit **Student** on the Home Page.
  - [3] Click **Create Account**.
  - [4] Click **Sign Up with Google** and use your **School Account Information**.
  - [5] For **Teacher Code**, Enter 936466.
  - [6] Select **AP Statistics 20-21** for your class.
-
