**Diana Tufaro**, Dean of Students

August 2021

Dear Parent/Guardian,

As we begin the 2021-22 school year please note the following information regarding **Advanced Placement courses**. AP Courses are rigorous with a significant amount of reading and writing. This schoolwork is demanding and will encompass time in the classroom and a significant commitment of time and effort outside of the school day as well.

The expectation for all students enrolled in AP courses is to take the AP exam associated with each course in May 2022. Students that do not take the AP exam in May will not earn the AP course title, or weighting associated with the course(s) on their High School transcript.

Please note, families are responsible for paying the College Board fee of approximately \$99.00 per exam. **All exam fees will need to be paid prior to Friday, October 29, 2021.** Please note that the College Board has changed the time of year that AP exams must be ordered to November, so this date is significantly earlier than in prior years. The exam fees are non-refundable. For the 2021-22 school year we will continue to use the Total Registration online payment system for exam fee collection. Further information regarding AP exam fee payment will be available in late August.

Thank you for your cooperation and we are looking forward to a great school year.

Yours truly,

A handwritten signature in blue ink, appearing to read 'Sean White', enclosed within a light blue oval border.

Sean White
