August 2022

Dear Parent/Guardian,

As we begin the 2022-23 school year, please note the following information regarding Advanced Placement courses. These courses are both valuable and rewarding at the highest level. The schoolwork is demanding and to be successful, a significant commitment of time and effort outside of the school day is necessary.

All AP courses end with an AP exam in May 2023. Please note, families are responsible for paying the CollegeBoard fee of approximately 100.00 per exam. All exam fees will need to be paid prior to Friday, October 28, 2022.

The exam fees are non-refundable. For the 2022-23 school year we will continue to use the Total Registration online payment system for exam fee collection. Further information regarding AP exam fee payment will be available in late August.

Thank you for your cooperation and we are looking forward to a great school year.

Yours truly,
