New York State Law Section 2164 requires certain immunizations to enter 6th grade and attend school. Please check with your health care provider as soon as possible to make sure that your child has their needed immunizations.

Required Immunizations for 6th Grade:
Tdap

Please have your child's health care provider complete the following form and **return to the North Country Road Middle School Health Office by the first day of school.**

***Students who are 10 years old and entering the 6th grade who have not yet received the Tdap are in compliance and will not be excluded from school. However, they will be expected to be immunized when they turn 11 years old. ***

If you have any questions or concerns, please contact the health office at the number listed above.
