January 2023

Dear 8th Grade Parents and/or Guardians:

On Thursday, January 26 there will be an orientation program for the parents of students who will be entering 9th grade in September of 2023. The *Incoming 9th Grade Parent Orientation* will be at 7:00 p.m. in the High School auditorium. The evening is geared towards providing parents with information, but students are welcome to attend as well.

Our goal is to introduce you to the overall philosophy of Miller Place High School. At this meeting, we will broadly discuss curriculum, discipline, policies, counseling/guidance procedures, extracurricular activities, graduation requirements and other facets of High School. There will also be an opportunity to ask questions.

As we prepare for the next school year, the North Country Road School Counselors will be meeting with 8th grade students in January to discuss the course selection/scheduling process to assist you children with selecting appropriate courses to begin their High School experience. Attending the *Incoming 9th Grade Parent Orientation* will provide you with the necessary information to assist your 8th grade child.

We hope to see you at this informative evening.

Yours truly,
