

# Summer Reading Challenge

Welcome to the MPSD Summer Reading Challenge! To help prevent the “summer slide”(academic skills lost over the summer break), the MPSD librarians have created a summer reading challenge that we want the entire district to participate in! The links below will bring you to the reading challenge and resources for each individual school.

As an incentive, for every student that photographs themselves taking part in one of the components of the challenge and emails it to their school librarian, we will print out the picture and plan to decorate our bulletin boards with them! Help us fill up the bulletin boards!

Here is a link to sign up for a library card if you are in need of one and can't get to the public library. <https://search.livebrary.com/selfreg>

The MPSD librarians thank you, in advance, for participating and we look forward to seeing pictures of students (and even parents!) participating in the summer reading challenge!

We leave you with this quote:
