

CONGRATULATIONS

On Friday, February 7, 2020 the Town of Brookhaven's "Black History Commission" held its 29<sup>th</sup> annual Black History Month program, where over 100 African American seniors from various school districts throughout Brookhaven were honored for their academic excellence by maintaining a 90+ average over four years of high school. Miller Place High School was represented well with our very own senior Olivia Shamberger. Olivia plans to study neuroscience next fall.
