Re: Open Schools Planning – September 2021

Good afternoon Miller Place School District Community,

We hope you and your loved ones are finding time to enjoy these final weeks of summer as we continue to prepare for staff to return on Tuesday, August 31st and students on Wednesday, September 1st.

At this time, we have two important announcements for our school community:

1. The Board of Education meeting scheduled for Wednesday, August 25th has been rescheduled for Monday, August 23rd at which time the Board will be discussing our September 2021 Open Schools Plan. There will be an opportunity for parents and residents specifically to share their views with the Board prior to any decisions being finalized.
2. Until further notice, or until the Board of Education finalizes the September 2021 Open Schools Plan:
 - a) Outdoors - Masks are **optional** for everyone outside our school buildings.
 - b) Indoors - Masks are **strongly encouraged** for everyone inside our school buildings and **required** for all non-vaccinated adults and children.

Thank you for your anticipated cooperation which is greatly appreciated.

Dr. Marianne F. Cartisano
Superintendent of Schools
