RE: Positive COVID-19 Cases Update

Good Afternoon Parents and Guardians,

This message is being sent via email only (no voice message is being sent).

Please be advised the District contact traced the following positive COVID-19 cases as follows:

### Sunday

NCRMS - **1 student** case (sibling is the only close contact identified)  
LADSBS – **1 staff** case (1 additional staff member and 13 students  
quarantined as close contacts)  
AMPS – **1 staff case** (no close contacts identified)

### Monday

MPHS - **1 staff case** (no close contacts identified)  
NCRMS - **4 student cases** (no close contacts identified)

None of these individuals noted above were symptomatic or feeling ill when last in school. It is believed these individuals became COVID-19 positive as the result of activities and gatherings outside the school environment.

Students and staff will not be permitted to return to school until they have satisfied the guidelines detailed in our return to school protocols. Suffolk County Department of Health should be in contact with these individuals advising they should remain **at home for a 10 to 14 day quarantine period.**

If you, your children, or a household member tests positive for COVID-19 during non-school days/hours, please notify us by calling the **Safe School hotline at (800) 418-6423, extension 359.** Utilizing this reporting system allows our administrative staff to gather information and data in real time. Information regarding how to text, or submit information electronically, can be viewed on the District website at <https://www.millerplace.k12.ny.us/domain/865>

The health and safety of our students and staff remains a priority of our District. Information regarding COVID-19 can be found on the District website, Reopening Schools webpage at <https://www.millerplace.k12.ny.us/Page/5967>

If you have additional questions, please feel free to contact your child's school nurse or principal.

Thank you.

Dr. Marianne F. Cartisano  
Superintendent of Schools
