

## BOARD OF EDUCATION AND SUPERINTENDENT GOALS 2019-2021

	Student Achievement and Engagement	Safety, Security, and Facility Management	Budget Development and Financial Planning	Community Engagement
<b>Vision</b>	Improve student performance within all cohort groups.	Provide a safe and secure learning environment and workplace.	Develop a budget that provides for the instructional and facility needs of our students within the financial capabilities of the district and residents while remaining taxpayer sensitive.	Broaden community awareness and advocacy for public education.
		Create security systems and procedures that prioritizes student staff and school safety.	Maximize quality and value by identifying and pursuing revenue sources to assist in the financial management of the district.	Improve communication and flow of information to stakeholders.
