

# Second Annual

# STEAM NIGHT

**Hosted by the**

## North Country Road Middle School

## Save the Date!

### *Tuesday, March 12th, 2019*

The North Country Road Middle School has planned a fun and interactive event for your children. They will have an opportunity to explore the Expo Center and participate in hands-on activities in the areas of Science, Technology, Engineering, Arts and Mathematics. Our Teachers along with representatives from the Tesla Center, Brookhaven National Lab, Stony Brook University Innovation Lab, Long Island Science Center and many others will be a part of this engaging night of STEAM.

Directions for online registration will be provided in January.
