

Dear Miller Place UFSD Families,

The United States Department of Agriculture has announced the extension of its program to provide free meals to all school aged children regardless of their current eligibility until December 31 or until the federal funds run out. As part of this program, each Miller Place student is now eligible to receive free meals each day if they choose to participate.

This means that all students can now receive a meal in the cafeteria Free of Charge. Free and Reduced families still need to complete an application for free meals as this status will carry forward once this temporary free meals program ends and this will ensure that students will continue to have access to free meals.

Distance Learning students, or those not attending school in-person based on their cohort schedule, may order bulk meals on the District website or by clicking on this [Bulk Meal Order Form](#) link. The pick-up of these pre-ordered bulk meals is scheduled as follows:

Andrew Muller Primary School - Monday @ 10:00 am - 11:00 am

Laddie A. Decker Sound Beach School - Monday @ 9:30 am - 10:30 am

North Country Road School - Monday @ 9:00 am - 10:00 am

Miller Place High School - Monday @ 8:30 am - 9:30 am or

Wednesday @ 8:00 am – 12:00 pm

(If Monday falls on a holiday, then the next school day will be used for the pickup day.)

As a reminder, due to COVID concerns, we will not accept cash to pay for snacks or other items. Students who wish to purchase these items need to have credit on their school lunch account. To setup a school lunch account or to add money to an existing account, please visit www.myschoolbucks.com or you may download the myschoolbucks app to your phone where you may add funds to student accounts via credit card. **You may also add money to a student accounts by sending a check to: Miller Place UFSD School Lunch, 7 Memorial Drive, Miller Place, NY 11764 or send the check to school with your child. If a student does not have any other choice, we will do our best to process cash transactions on site.**

Thank you for your understanding and partnership as we adapt to the changes to meet our food service needs for children. everyone fed and healthy. As always, if you have questions or concerns you can contact us at (631) 474-2700 ext. 361 or email foodservedirector@millerplace.k12.ny.us.

Sincerely,
Bernadette Figueiras
Aramark Food Service Director
