General Concepts to Understand (Industrialization)

Why did the Railroad Industry boom in the mid to late 1800's?

What industries expanded because of the railroad?

How did the industries from the above question help change the U.S. appearance and culture?

What direct impact did the Transcontinental Railroad have on the U.S.?

General Concepts to Understand (Immigration/Labor)

Why did immigration increase in the U.S. during the industrialization period?

What parts of the world did most immigrants come from during this time?

What hardships in work and living conditions did immigrants face?

What did Unions such as the AFL and KOL fight for?

General Concepts to Understand (Reform/Progressives)

How did the Government fight corruption of big business in the late 1800's?

What are some laws that came about because of Muckrakers?

What were some areas in which Progressives wanted to reform?
