Re: MPSD Community Organizations

Dear Miller Place School District Community,

One of the District's goals is to foster nurturing and extraordinary academic and extracurricular experiences for our students and community. Although this year may look different, our goal is unwavering. Community involvement in booster clubs and school organizations serve as an effective platform for helping the District accomplish this. Please see below messages and important information, from our community booster club organizations, regarding how you can become involved to help enrich the experiences of Miller Place School District students.

Friends of the Arts (FOTA)

The Miller Place Friends of the Arts is an organization of parents, working together with teachers and administrators, dedicated to preserving, fostering and enhancing the music and arts programs in the District.

Currently, FOTA funds the MPFOTA Art Scholarship, Drama Scholarship and the Craig Von Barga Music Scholarship for graduating seniors. In addition, we fund the needs of the music and arts departments as they arise. This includes transportation fees for festivals and competitions, student participation fees, equipment for the art department and various mentoring and guest lecturer programs. We hope this will be our fifth year of sponsoring art, music and drama camps in Miller Place. Join us and receive a discount on our summer camps. Thanks for your support!

See form attached

PTO

The mission of the Miller Place Parent-Teacher Organization (MPPTO) is to support all four Miller Place Schools. Even when we haven't been together physically, the MPPTO has been steadfast in its commitment by recreating every event to keep our Panthers engaged in the community. Be sure to check out this year's new events.

Robotics

The Robotics Team aims to teach students about STEAM fields through an inclusive and safe learning environment to connect all types of people in the education of engineering and technology in a place where they feel safe. For the latest updates and information, please visit our website and [Facebook page](#).

Miller Place Athletic Booster Club

The generosity and involvement demonstrated by every parent of our athletes in the community have been instrumental in the success of the MP Athletic Booster Club. Funds raised by the Athletic Booster Club are used to provide annual scholarships for graduating seniors, purchase equipment for athletic fields, support sport related school activities, and refurbish athletic fields and facilities. Your membership is greatly needed and appreciated. We hope to see you on the fields soon!

WE ARE ONE!
