RE: MPSD Update, March 17, 2020

Dear Parents, Guardians and Staff,

Miller Place School District will continue to provide you with confirmed and updated information via written Connect Ed messages.

As directed by the Governor's Executive Order all New York State School Districts are closed through Wednesday, April 1, 2020.

For continued learning during this school closure, the District has provided optional supplemental instructional opportunities and educational resources on each school buildings webpage.

For children and families currently receiving free and reduced food services, a "grab and go breakfast and lunch" service started today as per the email that was sent directly to you yesterday via your child's School Tool account.

The District is currently working to provide a daycare site at one of our schools for children of healthcare professionals and first responders, Monday through Friday, from 7:00am – 6:30pm. Additional information will be forthcoming.

Please remember that it is important to follow CDC recommendations, practice social distancing for adults and children and avoid large gatherings. We hope you and your families stay well through this situation.

Sincerely,

Dr. Marianne Cartisano
Superintendent of Schools
