Re: Updates for the 2018-19 School Calendar

Dear Parents, Guardians and Staff,

This communication contains two important updates regarding the current 2018-19 school calendar.

First, the Board of Elections has advised the District they will be using three of our school buildings as public polling places for a primary election on Tuesday, June 25, 2019. Our District's practice is school **is not** in session on these days.

Therefore, school will not be in session for Andrew Muller Primary School, Laddie A. Decker Sound Beach School and North Country Road Middle School students on Tuesday, June 25, 2019. Students last day of school will be Monday, June 24, 2019.

AMPS, LADSBS and NCRMS staff will report to work on June 25, 2019 for a Superintendent's Conference Day.

Miller Place High School must remain open for student attendance on Tuesday, June 25, 2019, as the NYS chemistry and physics regent exams are scheduled for this day. The District will implement additional security protocols at MPHS on this day.

In addition, June 25, 2019 will be a normal workday for MPHS staff.

Second, the District has not needed to use the three emergency weather days that were built into our 2018-19 school calendar. The possible May 2019 calendar adjustment days will not be needed as instructional school days. Therefore, all schools will be closed, no student attendance, on:

Thursday, May 23, 2019

Friday, May 24, 2019

Tuesday, May 28, 2019

Thank you for your patience regarding these adjustments to our current school year calendar.

Dr. Marianne F. Cartisano
Superintendent of Schools
