BUDGET TRANSFERS

The transfer of funds between and within functional unit appropriations of the General Fund is commonly required during the school year. The Superintendent of Schools or designee, in accordance with the Regulations of the Commissioner of Education, is authorized to make budget transfers between line item accounts, so long as the transfer for any one item does not exceed the amount established at the annual organizational meeting. All transfers in excess of the limit established at the annual organizational meeting requires prior Board of Education approval. The Superintendent will report any transfers to the Board as an information item at its next meeting.
