Dear Parents/Guardians and Staff,

There was an incident that took place on Miller Place High School Bus "B" which was brought to our attention. The incident involved the driver having an inappropriate conversation. Upon that notification the District took immediate action, which included the bus driver's dismissal from all Miller Place bus runs, working in coordination with First Student (the District's transportation provider), meeting with the parents of the student directly involved, and contacting the Suffolk County Police Department.

There is no indication or evidence that any other incidents occurred on any of the routes by this bus driver at the other three buildings. Additionally, High School parents/guardians and students of bus "B" may be contacted by the Suffolk County Police as part of their on-going investigation. I have been working with the High School administration and cooperating with the Suffolk County Police Department to safeguard the health and safety of students and staff.

Please have a conversation with your child and contact the building administration immediately if you have any information that will be helpful in this situation.

Respectfully,

Marianne F. Higuera Ed.D.  
Superintendent of Schools
