Good Afternoon,

This is Dr. Higuera, Superintendent of the Miller Place School District with an important message for High School parents and School District staff.

Due to the historic New York State snow storm over the next few days, for the first time ever, the State Education Department is allowing Superintendents to apply for relief and administer January regent exams that are cancelled due to storm conditions. There are several constraints the District must adhere to, for the rescheduling of the regent exams to take place and I intend to meet those requirements.

Therefore, the regent exams that were scheduled for Monday afternoon, Tuesday and Wednesday have been rescheduled for this Thursday and Friday.

This modification in the regent exam schedule has caused us to modify mid-term and final exam schedules.

Mr. Slavin is in the process of finalizing a revised schedule which will be emailed to all High School parents and staff this afternoon. The revised schedule will also be posted on the High School web site.

Thank you for your anticipated cooperation during this weather emergency.
