February 2, 2015

This is Dr. Higuera. If you are anywhere in our neighborhood you are aware that it is extremely icy all over our community. We are concerned about ice on branches, as well as roads, and the possibility of overnight power outages.

Regarding school for tomorrow, February 3, 2015, we do expect to have school, but we will be operating on a two-hour delayed opening schedule. We will just start a little later than normal to allow the ice on buses, cars and roads the chance to thaw out a bit.

There will be no before school activities in any of our buildings. The two hour delay will also be in effect for private and parochial schools and Out of District student placements.

Thank you for your patience.

Dr. Marianne Higuera  
Superintendent of Schools  
Miller Place School District
