March 5, 2015

Good Evening,

This is Dr. Higuera, Superintendent of the Miller Place School District, calling with two important messages regarding the school schedule for tomorrow, Friday, March 6<sup>th</sup>.

### **The first message is:**

As of now, all schools will be operating on a two hour delayed opening schedule. There will be no before school activities in any of our buildings. The two hour delayed transportation schedule will also be in effect for private schools and out of district student placements.

### **The second message is:**

We will continue to monitor the impact this storm is having on our community, with the possibility of overnight freezing temperatures creating hazardous roads that may last beyond the two hour delayed opening. Therefore, I am asking parents to prepare for the **possibility** of schools being closed tomorrow. **If** schools are closed tomorrow, I will send you another Connect Ed message at approximately 6:00a.m.

Yes, I also feel this weather is ridiculous and am wondering when we will see grass again. I will continue to make every effort to keep parents, students and staff as updated as possible regarding our school schedule.

Thank you for your patience.

For your reference, this message will be posted on the District website.

Thank you.

Dr. Marianne Higuera
