Winter camp

Drop-off between
8:30-9:30 AM
Pick-up at
3:30PM

Suffolk County Farm

The Suffolk County Farm and Education Center is the perfect place to spend a week this winter! Each camp will utilize all that the farm has to offer, including animal encounters, wagon rides, and tons of open space and hidden nooks. **Each day, choose one of the unique options** for a custom learning experience that is specially designed for a mixed K-6 audience. The hands-on, multi-age approach fosters leadership, self-esteem, cooperation, and respect.

\$225 for full week or \$50 per day.

Call 852-4600 Monday-Friday, 9AM-3PM to register with Visa/MasterCard

Monday, February 20, 2017

Old Fashioned Farm Fun: Recreate farm life from the 1800s as you dip candles, churn butter, master tin-smithing, and learn about all of the essential farm animals from then and now.

Tuesday, February 21, 2017 Choose one!

Minecraft Mania! Minecraft minus the screen! Minecraft will come to life with activities from planting, fishing, and crafting, to making our own spawn eggs and creating pretend portals. Come protect the farm from creepers and have a day away from screens.

Fire and Ice: Explore the winter wonderland the farm has become. See what animals do to stay warm. Have fun experimenting and creating with ice and snow. Then warm up with some tasty treats by the campfire.

Move & Groove: Enjoy a day of music and movement! Greet the day with morning yoga, jam out in our drum circle, participate in multicultural activities and dances, and perform for our resident farm animals. All musical, yoga, and dance levels are welcome.

Thursday, February 23, 2017 Choose one!

Pokécamp! Pikachu, Squirtle, Jigglypuff - oh my! Ash is calling all trainers for a farm Pokémon adventure. Don't bring your phones or tablets though! This camp will need your imagination and creativity to collect, transform, evolve and battle. All teams welcome!

Cozy Crafts: Warm up this winter as we introduce the basics of traditional crafts using wool, yarn, thread & fabrics. We will also interact with our resident fiber animals: the sheep, llamas, and alpacas.
