

Miller Place
UNION FREE SCHOOL DISTRICT

is proud to present

MAD SCIENCE CAMPS

at Miller Place High School

Half-Day Programs

Entering Grades K to 6

NASA Space Explorers (NASA)

July 10 to July 13

Discover the frontiers of space with this hands on camp! Campers explore our Earth's atmosphere to the outer reaches of our solar system! Comets, planets, stars and more are all waiting to be discovered. Learn about the four forces of flight, the challenges of space travel, and participate in a rocket launch! **(Entering grades 2-6)**

Crazy Chemworks (CCW)

July 17 to July 20

Shake up a flask of fun in the lab as a junior chemist! This week of Crazy Chemworks is packed with cool reactions. Campers put on some goggles and change liquid to solid and back again. They get to handle laboratory tools, build and break molecules, and pick up some tricks on chemical changes. **(Entering grades 2-6)**

Junior Robotics (JR)

July 24 to July 27

Enter the world of elementary robotics! These four half-days of Junior Robotics are geared towards basic circuitry, mechanical science and robot building. Campers get a chance to design their own robots, learn about the parts inside a robot, and experiment with real robots! Develop building skills and put your imagination to the test! Each camper will work on a robot and take it home at the end of the week! **(Entering grades K-3)**

Sign up for 1, 2 or 3 weeks!

Monday to Thursday

9:00am to 12:00pm

Starting at \$200 per week

Early Bird ends May 22nd

\$20 additional for Junior Robotics
