

# LIM's Hybrid Summer Camp

The Long Island Museum invites your child to be part of our 2021 hybrid summer art and history camps. Designed for children to engage in a variety of styles that fit the needs of your family, these sessions will provide exciting opportunities to **collaborate, innovate, and create!**

## Programs for children entering grades 1 - 4

- ☀ Each camp session takes place Tuesday - Friday and includes a daily live Zoom educator led session from 10:00 - 11:00 a.m. to explore exhibitions in an interactive and fun way.
- ☀ Before the start of the camp, each child will receive a robust kit with supplies for all the week's activities.
- ☀ Campers will spend afternoons continuing art and history projects offline in a way that fits into their family's pace and schedule.
- ☀ Each week includes a remote visit from a special guest artist who will introduce their artistic process.
- ☀ Campers and their families are invited to come on site for the final afternoon of the session for a self-guided museum visit.
- ☀ Each camper can submit images of their artwork and projects for an online Campers' Gallery on the museum's website.

Each session is \$125 per child member/\$140 non members. 25% discount applies for children in same household, signing on from a single device. Fees include full supply kit for single camper, access to online sessions, and one on site visit for camper plus 4 family members.

Pre-registration and pre-payment are required. Program will run based on reaching minimum registration. Please fill out the [google form](#) to register. \*Please note the registration deadline for each session\*
