VIRTUAL SUMMER 2021 ENRICHMENT FOR STUDENTS IN GRADES K-8

COST: \$175 PER COURSE (20% sibling discount)

Each course features Eight 50 minute classes via ZOOM by skilled and certified instructors. Courses offered in the evenings and a great way to continue your children's learning at home! Join students from all over NY State!

Coding and Technology for K-3

August 2 - 25th, Monday and Wednesday Evenings at 6:00pm; Grades K-3

Have you ever wondered how to code a video game, create animations or your own story on the computer? Want to have fun on the computer and get creative? We will explore computer science through coding, educational websites, videos and unplugged lessons.

Electrical Coding and Programming Grades 4-8

August 2 - 25th, Monday and Wednesday Evenings at 7:00pm; Grades 4-8

Join our master coding expert, Mr. Garcia, in an amazing course designed to teach students electrical coding and programming & engineering skills. Students will learn introductory and intermediate coding and thinking skills while enjoying creating electrical coding projects with their electrical coding boards. Students will use physical programmable circuit boards to learn skills in software programming and electrical engineering.

American-Road Trip Cookout

August 3 - 26th, Tuesday and Thursday Evenings at 6:00pm; Grades K-8

Join our famous cooking creations instructor, Mrs. Mondelli, as she takes you around The United States on a virtual road-trip and teaches you recipes and traditions from all different states. Each week you will learn and cook a recipe from around the country and at the end of this one hour class, dinner will be served! Cook these recipes at home and present your final dish to your friends on ZOOM. Great for parents and children to learn and explore together!

Summer Sculpting & Clay Creations

August 3 - 26th, Tuesday and Thursday Evenings at 7:00pm; Grades K-8

Join an amazing art instructor, Ms. Howard, as she teaches students different techniques and styles with clay sculpting. Students will have the opportunity to create projects while learning many different artistic styles. Students will create their own masterpieces from a skilled and certified art-instructor with a focus on mindfulness and artistic expression.

Questions?

Enrichment Director: Dan Seid DSEID@SCOPEONLINE.US

Supplies will be individually purchased by families. Supply lists will be provided prior to course start date. Parent support and participation may be needed for some courses. All courses will be via ZOOM. Links sent before course begins. Recordings of courses will be included in case your child needs to miss a class.
