Re: Elementary Student Virtual Instructional Program

Dear Parents/Guardians of Registered Students for the Elementary Student Virtual Program:

For parents/guardians who have chosen the new Elementary Student Virtual Program for kindergarten through sixth grade students, please note the following:

- It is the District's intention to begin the program on Thursday, September 10, 2020.
- The name of your child's teacher, and their schedule, will be available to you via School Tool on Tuesday, September 1, 2020, after 4:00pm.
- You can expect an email communication from your child's Building Principal by the end of next week regarding information to pick-up your child's laptop device, as well as the various materials and supplies they will need for the program.

Thank you for your anticipated cooperation and patience as we continue to organize the many logistics regarding beginning this new program for our elementary students.

Sincerely,

Dr. Marianne F. Cartisano
Superintendent of Schools
