RE: MPSD Going Gold in September

Good Afternoon Miller Place School District Community,

Although this has been one of the most unusual years in history, we have not forgotten September is pediatric cancer awareness month. Thank you to The Thomas Scully Foundation for painting our schools with gold ribbons in support of children who are fighting the fight to regain positive health. It is through their courage and determination that we continue to stand by these children and their families in supporting research to end childhood cancer and other illnesses.

We continue to carry in our hearts our forever panthers, Thomas Scully, Joshua Faithful, Lauren Cummins, and so many others, as we remember their families in our positive thoughts especially during September.

To learn more about how to help fight pediatric cancer, and support children in need, please click on the following link, [Thomas Scully Foundation](#) as this organization has been instrumental in supporting our Miller Place School District community families with fundraising efforts, as well as those who continue to battle childhood illness.

Stay Informed ~ Stay Safe ~ Stay Positive.

Dr. Marianne F. Cartisano
Superintendent of Schools
