Re: Sharing Information (Not Distance Learning)

Dear Miller Place School District Families,

You can view our spring District spring newsletter (pre-COVID-19) to read about the wonderful accomplishments of our students, STEAM night activities, robotics team, athletes, and art and music news at the following link:

Please see attached information regarding the importance of completing the 2020 US Census, as it plays a major role in determining federal funding for our school district.

Please see attached information from New York State regarding affordable health insurance options during this state of emergency.

Thank you to our Miller Place and Sound Beach residents and fire departments who participated in the “Caravan for Heroes” to honor Stony Brook University Hospital personnel:

The Miller Place School District continues to express heartfelt gratitude to all essential workers who are working hard each day to support our school community during this unprecedented time of uncertainty. To our health care workers, first responders, pharmacists, truck drivers, grocery store employees, food service industry personnel, telecommunications and utility workers, those retooling manufacturing to develop PPE for the healthcare workforce, gas station attendants, law enforcement, and so many others — we need you, we appreciate you and we thank you.

Thank you for your continued support of our school community.

Dr. Marianne F. Cartisano  
Superintendent of Schools
