Re: Senior Class of 2020 Update

Good Evening Miller Place High School Seniors and Parents,

Today's cancellation of school for the rest of the academic year was a crushing blow to our hopes of bringing you back to school to complete your senior year. We know you are devastated by the loss of the activities you have looked forward to for 13 years and rightly deserve. Frankly, so are we.

I do not have many specifics for you right now but note that the District is committed to preserving your celebrations to the extent possible.

Considering that we will not be able to facilitate large group gatherings for the foreseeable future, we are in the process of organizing the logistics, which is subject to change and modifications by state and local directives when large gatherings are permitted, for the following:

The possibility of a summer senior prom

The possibility of a summer senior BBQ

The possibility of a summer yearbook signing event

I expect to be able to share information regarding how the District is going to honor your graduation within the next few weeks as those logistics are in the process of being finalized.

In the meantime, please take a few minutes to view the video that has been posted on the High School webpage honoring your college commitments. Later tonight we will be posting on the website and Facebook page our tribute to our senior athletes.

This year is not we envisioned but we will do our best to celebrate your accomplishments and success.

Please continue to be safe.

Dr. Marianne F. Cartisano  
Superintendent of Schools
