Re: Student Survey, Athletics, Teacher Parade, Senior Events, and Spirit Week

Dear Miller Place School District Community,

I hope this email finds you and your loved ones healthy and safe as we update you on a few items.

Student Survey

Your child still has time to complete the online student survey provided to them via their physical education teacher last week regarding their experiences associated with emergency remote distance learning. The survey will close at the end of the day on Thursday, May 21.

Athletics

In our continued effort to keep our athletes and parents updated regarding our athletic program for next year, Mr. Petrie has developed a webpage to keep you informed regarding program modifications and to address questions you may have. The web page link is: www.millerplace.k12.ny.us/Page/1767

Teacher Parade

On May 8, our Andrew Muller Primary School and Laddie A. Decker Sound Beach School faculty and staff participated in a parade for students. A wonderful video of each event has been posted on the school website and can be viewed by clicking on the following links:

Senior Graduation

Miller Place High School senior parents can expect a summary letter of our recent meeting to be sent to you this week regarding how we are planning to celebrate your graduate. We are trying to determine potential dates for the events which is taking additional time to confirm. Thank you for your patience.

Spirit Week

Thank you to all who participated in last week's virtual spirit week event. We have received over 400 photos that are being compiled into a video montage that we expect to release at the end of this week or early next week.

Stay safe,

Dr. Marianne F. Cartisano
Superintendent of Schools
