RE: Positive COVID-19 Case Update (This message is being sent via email only)

Good afternoon Miller Place School District Community,

I hope this email finds your family well as we conclude the 10th day of the 2021-22 school year.

Summarized below is information regarding staff and students who the district has reported and/or contact traced regarding positive COVID-19 testing:

September 1 – 20, 2021 (10 school days – over 3 weeks):

AMPS	No cases to report
LADSBS	10 student cases; 7 close contacts (all siblings)
NCRMS	1 staff case; no close contacts
	3 student cases; 1 close contact (sibling)
MPHS	4 student cases; no close contacts

The district will continue the practice of gathering this data to share with the community on a weekly basis.

Students and staff will not be permitted to return to school until they have satisfied the guidelines detailed in our return to school protocols. Suffolk County Department of Health should be in contact with these individuals advising they should remain **at home for a 10-day quarantine or isolation period.**

If you, your children, or a household member tests positive for COVID-19 during non-school days/hours, please notify us by calling the **Safe School hotline at (800) 418-6423, extension 359.** Utilizing this reporting system allows our administrative staff to gather information and data in real time. Information regarding how to text, or submit information electronically, can be viewed on the district website at <https://www.millerplace.k12.ny.us/domain/865>

The health and safety of our students and staff remains a priority of our District. Information regarding COVID-19 can be found on the District website, Opening Schools webpage at <https://www.millerplace.k12.ny.us/Page/5967>

If you have additional questions, please feel free to contact your child's school nurse or principal.

Thank you.

Dr. Marianne F. Cartisano
Superintendent of Schools
