Good Evening Miller Place School District Community,

As 2022 comes to a close, I would like to thank the school community in making my transition to Superintendent as smooth as possible. I have been given the opportunity to continue to build on the student successes and I am very excited to enter the second half of the year with momentum gained since July. On behalf of the Board of Education and Administrative Staff, we wish our school community a happy and healthy holiday season. We look forward to seeing you at one of our many events in the New Year.

In keeping with our health and wellness initiatives to our community and staff, the District has COVID-19 test kits available. If you would like to pick up a test kit, please feel free to stop by District Office Wednesday through Friday of this week, between the hours of 9:00am-3:00pm.

Happy Holidays.

Seth Lipshie

Superintendent of Schools
