Dear Miller Place School District Community,

Below is information regarding organizations who play a vital role in supporting our students through the purchasing of equipment, materials and funding student scholarships. This includes the Miller Place Athletic Booster Club, Miller Place Friends of the Arts, Miller Place PTO and the Miller Place Robotics Booster Club. Please see below for more information about these organizations. Please support these organizations by joining their membership or by participating in one of their many activities and events.

Sincerely,

Seth Lipshie

Superintendent of Schools

Miller Place Athletic Booster Club

The Miller Place Athletic Booster Club is dedicated to supporting our schools and student athletes. One of our main functions is providing annual scholarships to graduating seniors. To be eligible for a scholarship student athletes must have a membership with the Booster Club. To become a member, you can go to our website <https://www.millerplaceathleticboosterclub.org> and sign up for your membership. Also, on our site you will see the dates for our upcoming events. It is our pleasure to serve the Miller Place Athletic community and hope all student athletes have a very safe and successful Winter and Spring season!

Miller Place Friends of the Arts (FotA)

New year, new people! The Miller Place Friends of the Arts is an organization that works with parents and faculty to raise money and awareness to directly support our art, music and drama programs in our schools. We are hoping to bring back some great things for our kids and community like the ice cream social and summer camps, but we need more people to get involved. How can you get involved? By becoming a member and volunteering! To become a member just click on the link below and follow the instructions at the top of the page.

<http://www.mpfota.org/join.html>

You will then get updates on our events and, if we run camps, a \$5 discount on camp registration fees. Already a member? GREAT! Want to get involved and meet other parents of kids that love art, music and drama? EVEN BETTER!

Volunteering is fun and easy, and we will have opportunities this winter and spring selling concessions at performances and hopefully at our ice cream social as well. If you are interested in volunteering, please email us at: mpfota@gmail.com. Let's make 2023 a great year for our art, music and drama programs and for our kids!

Miller Place Parent Teacher Organization (PTO)

For more information about our upcoming events, please visit our website: <http://www.mppto.org>.

Miller Place Robotics Booster Club

The Miller Place Robotics Team's December "Top Golf" fundraiser was a huge success and a lot of fun—we hope to see you at future events!

The team got in the Holiday spirit, wrapping over 75 gifts for children in need for Christmas Magic/Holiday Magic. We are also mentoring the NCRMS FIRST Lego League team.

The robotics team will be at STEAM nights this winter—come say "hi" and see one of our robots in action! If you are a high school student and you are interested in joining the Robotics Team, please see Mr. Stano for more information.

For more information about our upcoming events, please visit our website: <https://team514.com/>
